I'm Scott Hall and I'm on the board of directors for Way Off Broadway Community Players, Inc. You may or may not be aware, but we lost our permanent theater location, this past summer, due to the Covid pandemic and the inability to put on shows and bring in revenue. However, we are still around and hoping to continue putting on productions in various locations, until we can afford to find a new permanent theater home.

We are planning to host a booth at Leander's upcoming "Old Town Christmas Spectacular" on December 5, 2020. Our booth theme will be "A Texas Cowboy Christmas" and we are planning to host Santa and Mrs. Claus to do readings for the kids from a book called "Texas Night Before Christmas". We are also hoping to host a raffle of various gift baskets from local Leander businesses, at our booth. We are emphasizing the community spirit during this holiday season and encouraging shoppers to support and buy from local businesses during their shopping.

The event is expected to draw many participating local businesses and the Chamber of Commerce is expecting a large crowd of shoppers, due to the fact that we are one of the few cities in the local area that is still hosting an event of this kind during the Covid pandemic. We will be promoting local businesses and would be happy to include your business as one of our generous sponsors, at the event, on our website, and on social media. We are also planning an outdoor Christmas production in the 2nd and 3rd week of December and we'd love to mention your business at that event, as well.

Can you help us out with a donation of a product or service from your business that we can put into one of the raffle gift baskets? Or, maybe you are interested in donating a few items to form your own themed basket for your business? All donations are greatly appreciated and are tax deductible. Your donation can be something as simple as a gift certificate to your business or some small products of some kind. A donation form for gift basket items is attached. Simply fill it out, then call or email me and we'll handle everything.

Thank you for your consideration of our request to help out the arts and encouragement of local purchasing during this holiday season. Your donation will go a long way to helping your business and ours, as we all weather this pandemic, together.
